

“Religion, Conflict and Development”

25th – 27th June 2007 in Passau, Germany

Information for prospective observers

We welcome interested colleagues to join the conference for its entire duration, including the accompanying social programme. However, due to limited funds, a registration fee of 200 EUR (100 EUR for students) has to be charged. This fee covers participation in all panels, conference materials and meals.

Given the confined number of participants, we recommend registering as soon as possible at the conference secretariat (Ms. Nadine Frick and Ms. Valeska Korff) at seap_conference@yahoo.de. Thereupon we will provide you with the bank details to remit the conference fee. Of course we will also happily attend to any remaining questions! Nadine & Valeska
