Duration of the project	from	to								

This four week study project „Applied Development Studies“ was completed as an independently organised...

...Field work in Germany or abroad

Titled:

in cooperation with
(if applicable):

...Internship in Germany or abroad

Titled:

Employer
(with address):

I hereby certify that the aforementioned submission has not been submitted for recognition elsewhere.

Only for internships: If applicable, I confirm that the contents of the report are not subject to any confidentiality agreement and I agree that my report may be made available to fellow students in an anonymised form (e.g. via ILIAS). Pictures and personal details will be made unrecognisable within the framework of anonymisation.

Passau, _____ Signature of the applicant

Recognition (to be filled in by the programme coordinator)

The study project will be recognised. The study project will not be recognised.

Passau, _____ Signature of the programme coordinator

Please submit the completed application form for the recognition, together with the project report and (if applicable) a copy of the internship certificate, merged into one PDF file, to the following e-mail address: praktikum.sobi-geku@uni-passau.de. Please name the file like this: „Surname, First Name_MA_DVS_Date of Submission.pdf“.

If the project work was completed in the form of an internship, please follow the [Joint Internship Guidelines](#).

In the case of an independently carried out field work, the report must contain a timetable proving that the subject of the project work was dealt with for the mandatory duration.

In case the study project was completed abroad, please also remember to fill out the [form for registering stays abroad](#) in accordance with the requirements of the Higher Education Statistics Act.
