**DO NOT  
FORGET**

The re-registra-  
tion deadline is un-  
til 30th of June.

## UNIVERSITY POLITICS

This year's **university elections** will be held on **06.07.2022**. On that day, you can cast your vote from 9 a.m. to 6 p.m. in the Innsteg Auditorium (ISA, Innstrasse 23). If you can't vote in person or the date is not convenient for you, then you can also request a **postal ballot** until the 29th of June, which you need to collect until that day from the Elections Office in the Administration building, room VW 305. **Every vote counts!** Because a higher voter turnout leads to a better legitimacy of all elected representatives and thus allows us to represent the interests of the students as well and as broadly as possible. Information about our candidates and the election in general can be found on all our channels, especially on social media. There, we will also introduce our candidates in more detail, so that you can get a better idea of who you are voting for.

## NEWS FROM YOUR REPRESENTATIVES

Here is a short overview of the **candidates for the team of representatives** for the Fachschaft Philo for the year 2022/2023. Your candidates are:

- 1st place: Johanna Ratz, 20 years, 4th semester ICBS
- 2nd place: Max Kienast, 22 years, 5th semester Governance and Public Policy
- 3rd place: Melina Volk, 21 years, 2nd semester ICBS
- 4th place: Lilly Dröscher, 19 years, 2nd semester ICBS

In addition, we would like to point out that the nomination phase for the **Student Council Award for Good Teaching** will start again on July 4, so you can already think about who deserves the award. After the nomination phase there will be a second phase where you can then choose between the nominees. The prize will be awarded in the categories „Lecture/Seminar“, „Language Course“ and „Tutorial“.

## EVENTS:

The Chairs of English and American Studies will be hosting the **Midsummer Night's Readings** once again this year in collaboration with the Fachschaft, an event that showcases various artistic or literary works related to the English-speaking world. If you are interested in getting creative yourself and contributing to an enjoyable evening, please feel free to get in touch. The Midsummer Night's Readings are planned for **July 12** from **7 p.m.** on the FIM meadow. However, if the weather does not cooperate, the event will be rescheduled for July 20.

Another event that will be back this semester is the **ColourNight**. If you want to get artistic and spend a nice evening with other creative, art-loving people, sign up on Stud.IP [here](#) and come to Café Duftleben on **June 29 at 7 p.m.**

On **July 16**, we will be celebrating this year's **day of the students of our university**. There will be various games, artistic performances and lectures on the grounds of the Eulenspiegel at the Ortsspitze organized by the student societies. Food and drinks will also be provided. Feel free to drop by and join in! The events will start around 11 a.m. and end around 8 p.m. The schedule will of course be published beforehand so that you can find out what interests you.

As part of Philomental, our initiative for mental health, Ms. Schweppe will give a **lecture on the topic of motivation** on **July 5 at 6:30 p.m.** This will take place in room NK 401 and also in English, so that international students have the opportunity to participate.
